

Annual Syllabus 2019-20

Class - Nursery

The school believes that the curriculum is not only confined to formal subjects but is the total planned learning experiences provided in the school. All the learning areas will be taught and assessed in line with the continuous and comprehensive evaluation (C.C.E) pattern.

The purpose of assessment is to:

- Understand a student's strengths and weaknesses.
- Measure growth or lack of it in specific learning areas.
- Give feedback on the effectiveness of teaching.
- Provide a tool for comparing and judging the quality of learning.
- Boost up their confidence level.
- Focus on overall development and inculcate moral values in children.
