## Syllabus 2023-24 Class - Nursery

The school believes that the curriculum is not only confined to formal subjects but is the total planned learning experiences provided in the school. All the learning areas will be taught and assessed in line with the continuous and comprehensive evaluation (C.C.E) pattern.

### The purpose of assessment is to:

- Understand a student's strengths and weaknesses.
- Measure growth or lack of it in specific learning areas.
- Give feedback on the effectiveness of teaching.
- Provide a tool for comparing and judging the quality of learning.
- Boost up their confidence level.
- Focus on overall development and inculcate moral values in children.

**The Scholar School** is established and run by Human Welfare Foundation. Presently in its infant stage, it is destined to grow as a full-fledged senior secondary school offering 10+2 C.B.S.E. Courses in a well-equipped, beautiful and safe environment, Insha Allah.

### Our Vision

The Almighty says in Al-Qur'an:

O mankind! We have created you from (a single pair of) a male and a female, and made you into nations and tribes, that you may know each other (not that you may despise each other). Verily the most honoured of you in the Sight of Allah (SWT) is (he who is) the most pious of you. And Allah (SWT) has full knowledge and well acquainted (with all things).  
(Al-Quran 49:13).

Our Vision, inspired by the above, is :

To have a world society free from discrimination in any form and with equal opportunities for all.

### Our Mission

To prepare a generation of forward looking youths with a sound value system and deep respect for the rights of co-citizens.
